# Cab Control™

Wireless remote display and control system from the loader cab that works seamlessly with the mixer scale indicator.

## Benefits of Cab Control:

### Increased loading accuracy

- View of weight and information not affected by rain, snow, dirt, or darkness
- Reduces overloading of key ingredients

### Increased loading efficiency

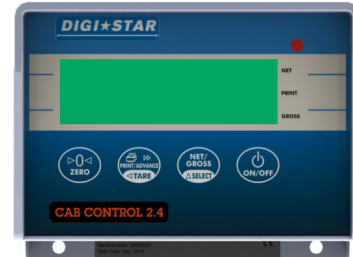

- No need to leave the loader cab during loading
- View Recipe, Resize, and more
- Fingertip control of standard scale functions: Tare, Zero, Net, or Gross weight display, ingredient advance

## Exclusive Features:

### CC 400 & CC 2.4 or 900

- Tare Key and Net/Gross Key allow for quick display viewing
- Four mounting bracket options: standard, wedge, u-bolt, and RAM for greater flexibility
- Front panel programmability for basic set-up calibration
- Backlit display

*\*Requires matching radio installed in, or on, mixer scale indicator*

## Cab Control Touch

### CCT 400 & CCT 500

- Easily view and control scale indicator display remotely from inside the loader
- Simple to learn, more intuitive, graphic touch screen display
- Increased mounting opportunities in smaller cabs of skid steer and telescopic loaders and minimizes view obstruction from the slim, compact design
- Clearly indicates when call weight is reached with display color change in addition weight at zero
- Wearing gloves does not impede use due to advanced touch screen technology

*\*Optional CC3600, CC4600, & CC500 provide additional scale control functions*

## Cab Control App

### Cab Control Functionality on a Smartphone or Tablet

- Easily view and control scale indicator display remotely from Android and iOS phone or tablet
- Designed for use when regular Cab Control or Remote Display does not work, such as inside a silo unloading room or next to a grain bin
- Simple to learn, intuitive, graphic touch screen display & control
- Provides same functionality as Digi-Star's other Cab Control systems: Net/Gross, Tare, Zero, Advance Ingredient, and Select Mixer
- Available free-of-charge from Play Store or iSTORE with purchase of Digi-Star ERM-WIFI
